

**Character: Carmen**

---

CARMEN (welcoming)  
You must be Peter.

PETER  
That's me. In the flesh.

There's a brief awkward silence. Carmen looks over at the nightstand.

CARMEN  
I would love a drink.

PETER  
Oh sorry, a drink. Is a margarita okay? My wife likes margaritas.

CARMEN  
Yes, please. I like them too.

Carmen gives Peter a smile as she places her purse on the desk. Peter dashes off toward the small mini fridge across the room. He walks back over to Carmen.

Carmen has her cell phone in her hand. She uses the triangle credit card reader attached to it. She taps away at her cell phone screen.

Carmen turns her cell screen to face Peter.

CARMEN  
The amount.

Peter opens his wallet and produces a credit card. He hands the card over to Carmen. Carmen takes the card and swipes it through her triangle car reader.

PETER  
That's cool.

CARMEN  
It's very handy. No one carries cash anymore. Just sign your name on the line.

**Characters: Kirk Jackson, Lisa Hunt**

KIRK JACKSON is sitting on the bed. LISA HUNT walks over to him. She is wearing lacy lingerie.

KIRK

Did you wear that just for me?

The sound if the video is muffled but still audible.

LISA

Yes. When does your wife come home?

KIRK

We have all day. When do you have to leave?

LISA

I have four free hours.

KIRK

We have enough time to really get freaky

The two kiss hungrily as Kirk picks her up and carries her over to the bed.
